

# CITIZENS FOR A BETTER EASTERN SHORE

## Donors to the 2015 Solicitation

*(Gifts received during the 2015 calendar year)*

CBES President Arthur Upshur directed our Annual Giving Campaign in 2015. This broad financial support allows CBES to be an effective Shore-wide organization. It also demonstrates to potential grantors that CBES has robust community support. A big shout out of thanks to ALL our donors!

*(We do our best to present donor names in the manner we receive them. Please notify us at [info@cbes.org](mailto:info@cbes.org) or 757-678-7157 regarding omissions or other changes. We apologize in advance for any such errors.)*
